## Leadership Opportunity

### **Director of Hope Prep | March, 2018**

Boys Hope Girls Hope of Northeastern Ohio is actively seeking an experienced, mission-driven educator to serve as Director of Hope Prep Academy Program – an intensive out-of-school time program that delivers holistic, year-round opportunities for children in 6<sup>th</sup> through 10<sup>th</sup> grade. Upon successful completion of Hope Prep, Scholars advance to our Collegian Success program where their 10+ year partnership with Boys Hope Girls Hope continues through college and career launch.

Boys Hope Girls Hope of Northeastern Ohio, which is situated on a six-acre campus in Garfield Heights, helps academically capable and motivated children-in-need meet their full potential and become men and women for others by providing value-centered programs, family-like homes, opportunities and education from middle school through college. Reporting to the Executive Director, the Director of Hope Prep is an integral member of our agency management team.

#### Primary Responsibilities:

- Lead all aspects of the year-round Hope Prep Academy Program serving 100-125 Scholars in grades 6-10. Leadership includes development, implementation and assessment of this unique out-of-school time program that takes place evenings, weekends and during the summer.
- In collaboration with the Director of Collegian Success and the Curriculum Advisory Board, design and validate a continuum of programming and developmental opportunities that support the whole child [learning, social-emotional, leadership, service, independent living].
- Recruit, hire, train, support and supervise professionals who serve as part-time/adjunct instructors of all Hope Prep programs. Maintain a high level of interaction with instructors through curriculum design, instructional coaching and program observation. Hope Prep Director will generally be present after-school/evening two evenings per week, one Saturday per month, and throughout summer day programming.

This is an exciting time to join Boys Hope Girls Hope. The Academy Program at BHGH is in the midst of a five-year capacity-building initiative that has resulted in major growth of Scholars served (Currently 150 Scholars & Collegians with projected growth of 200+ by 2020). This growth includes a campus expansion highlighted by construction of a state-of-the-art Academy Center beginning in June, 2018. The Rajan Academy Center will allow our organization to continue striving to provide innovative and diverse curricular programming experiences for our Scholars. The Director of Hope Prep will play a critical role in this growth.
